USASA Hall of Fame Breeder Rules

Titles recognized:

- Only AKC titles will be recognized for Hall of Fame Breeder.
 - Points are cumulative. (i.e. a dog with a CDX counts its CD as 1 pt. and its CDX as 1 pt. for a total of 2 points.)
-

Applications: Applications for a Hall of Fame Breeder award must be filled out on the USASA "Request for Hall of Fame Breeder" form, and accompanied by both proof of titles and breeder of record using any combination of the following:

- Copies of Title Certificates
- Copies of registration papers
- Breeder of Record Report available from AKC *
- Any other official verification from AKC.

Please be sure that documents used reflect both the dog's titles and breeder of record. Multiple documents may be used for one dog. (i.e. a title certificate that does not list the breeder, and a registration paper that does not show titles in combination.)

* Breeder of Record Reports are done on an individual basis and charged on an hourly basis. Requests should be made to Joanne Alstead at (919) 816-3585 or j1a@akc.org or REPORTS@akc.org and should include the following information in the request:
